Support the **Canadian Society of Decorative Arts** and our continued efforts to produce quality publications and events related to the decorative arts community.

Be a part of the gift-giving holiday season! This year we have selected a glass maker to celebrate the United Nation International Year of Glass. Donors will receive a handmade one-of-a-kind **Ornament** from Asem Nada. Asem is a master glassblower and he uses the finest materials such as Czech glass and 22 karat gold. This ornament comes in multiple colours. Gift them, or exchange them with family, friends and colleagues. Ornaments are issued for donations of \$75 or more (while quantities last and colours may vary depending on availability).

The CSDA/CCAD is supporting the craft community by commissioning a new ornament each year. Start your collection now!
